2008 Annual Workshop

Waurm Ponds Campus, Deakin University, 15 - 18 December 2008

ARNAM 2008 Workshop Format

A small number of plenary overview papers from Australian and overseas research leaders. Contributed papers mainly from research students and early career researchers.

ARNAM will cover all local costs for ARNAM members who are contributing participants.

Contributing students and ECRs will receive travel grants and also be in the running to win 1 of up to 10 prizes totaling more than \$3,000.

ARNAM 2008 Annual Workshop 15 - 18 Dec 2008

First Announcement and Call for Papers

The ARC Australian Research Network for Advanced Materials 2008 Annual Event will be a workshop to be held at Deakin University's Waurm Ponds campus.

The three day workshop will focus on the following five research areas:

- Structural and Functional Materials
- Electronic, Photonic and Magnetic Materials
- Energy, Environmental and Bio Materials
 - Manufacturing Materials
 - Materials Characterisation

Incorporating:

ECR grant-writing workshop:
featuring ARC representative

Industry Introduction day
co-hosted by Future Materials®

Abstracts Close: 17th October 2008
